

Bible 8 - Project from the Book of Mark

This semester, we have been reading through the book of Mark. In doing so, a couple of significant themes have stood out including discipleship, parables, and miracles.

To showcase your understanding of and perspective on one of these themes, there are three different projects you may choose between. They are as follows:

- Write and record a podcast on what discipleship is and what it means to you personally
- Create an infographic about what parables are (and explain one of the parables in detail)
- Write a newspaper article as if you had witnessed one of the miracles of Jesus - what did you see? What did you think?

For each of these above options, you **MUST**...

- Cite (use) a verse from Mark to support your response
- Create a finished project (not messy; free from grammar / spelling errors)
- Hand in a self-assessment - what grade (out of 100%) would you give yourself?

Self-Assessment: I give myself a grade of _____ % because...
