Name: _____ Date: _____

Plan a Vacation!

Your mission is to plan a vacation for you and 3 friends. You will need to create a budget, make decisions about what you will do on vacation, how you will get there, and what you will eat. You may not spend more than \$2,000 for the entire vacation.

Where have you decided to go? _____

How long are you going to be staying? _____

Who is going? (Pick 3 people, and yourself.) _____

Use the Budget Sheet below to track your spending.

	Choice	Cost	Balance: \$2,000
