

Indigenous Perspectives: First Contact Case Studies

After selecting an Indigenous group from the list provided, you will....

- 1) Fill out a handwritten graphic organizer to ensure that **research is stated in your own words**
- 2) **Collect a list of website links** for your references (at least 3)
- 3) Make sure your **slides are organized and readable** (not too much info, but not too little either)
- 4) **Include photos or a video** if they are relevant

Research

1) Briefly describe the history of the Indigenous group.

2) Describe first contact with Europeans - Who? Where?

3) How did the Indigenous group respond to Europeans?

4) How did the Europeans respond to the Indigenous group?

5) How did the relationship between the Indigenous group and Europeans stay the same or change over time?
